LEAVING A LEGACY TO THE CHURCH.

If you have not already done so, please collect the pamphlet entitled ‘A Gift to Our Church’. The literature provides some insights into the life and ministry of our Archdiocese and outlines the need to provide ongoing financial resources for people and places so that the mission of the Church can continue to flourish in the future. Please read the material and reflect on how you might be able to make a contribution to the life and ministry of the Archdiocese through the provision of a legacy in your will. Archbishop George states that “any gift you wish to consider making will help the Church continue the good you do during your life; let the good you do live after you.” The needs of the Cathedral are outlined within the context of the proposed repairs and refurbishment.
